They have not yet been issued. I have a draft comment/response document for ET from Hafeez (that I have not yet had a chance to review) and a draft permit (not out for public comment yet) for Irvin (that I also have not yet had a chance to review).

Good morning JoAnn,

Hope you had a relaxing long weekend! When you get the chance, could you send me the most recent proposed TVOPs for US Steel Edgar Thomson Works and the Irvin Plant? I cannot find the final permits in EPA's record. Thank you!

Best,
Britlyn
